Explanations	

Following the lowering of Turkey's local currency sovereign rating and transfer and convertibility (T&C) assessment to 'B +' from 'BB-' on April 1, 2022, international credit rating agency Standard & Poor's Financial Services (S&P) made a review on Koç Holding's credit ratings. Consequently, the credit ratings of Koç Holding have been lowered to "B+" long-term, whereas "B" short-term and the negative outlook have been confirmed.

Further information related to credit ratings will be available on our website.
